

Off-Campus Residents Orientation 2019/20

The Off-Campus Housing Section (OCHS) of Student Housing & Residential Life (SHRL) held an Orientation to facilitate residents' stay in the off-campus apartments on 30 August 2019. During the Orientation, our Senior Manager introduced the roles and services of OCHS. He also shared some useful information to help residents get familiar with campus environment and raise residents' awareness on off-campus living safety and security. University Student Counselor provided tips to residents to overcome life challenges. It was a fruitful afternoon to all residents.

"Go Clean & Green" Cleanliness Campaign

Everyone wants to live in a comfortable and clean apartment, right? "Go Clean & Green" Cleanliness Campaign is going to launch in October. Grab the chance and try your best to team up with your flat mates to maintain general cleanliness of your apartment and be the winner of the campaign. We look forward for your participation. ACT now and win the grand prize!

Housing Coordinator Program

The Off-Campus Housing Section has launched a Housing Coordinator Program to ensure you have a harmonious comfortable living environment and maintain effective communication with us. As a Housing Coordinator, you are expected to:

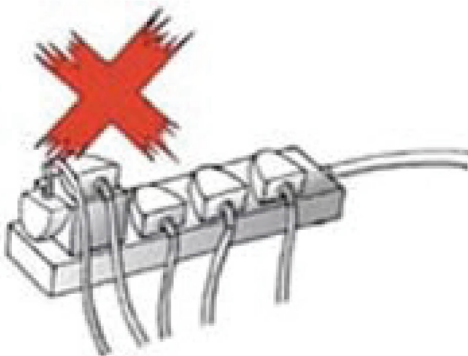

1. Be responsible for reporting defects spotted in the common area on behalf of your housemates;
2. Keep housemates posted on the progress of defects handling and maintenance;
3. Take the initiative to establish some agreements with your housemates on the duties and arrangements in the apartment;
4. Coordinate activities that are organized by SHRL.

Electrical Safety

The electrical standard in Hong Kong is 220V/50Hz AC. Most electric outlets accommodate three-pin square plugs (British Standard BS1363). Residents should only buy and use 3-pin plugs which comply with the Hong Kong safety requirements.

To prevent circuit overload and fire, no more than one adaptor or one extension unit should be inserted into a socket outlet. No adaptor should be inserted into any extension unit or vice versa. Never use equipment with frayed cords, damaged insulation or broken plugs.

Upcoming Event - *Tasting Pun Choi*

Autumn is just around the corner, so it's the perfect atmosphere for tasting Pun Choi, a one-pot dish prepared and served on special occasions and a communal dish that is unique to Hong Kong. Come join us for an autumn blast!
